### More About Beef

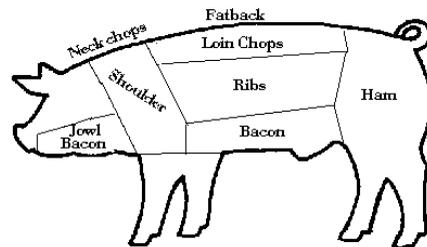

Market steers at the local fair will range in weight from about 900 to 1,500 pounds. The large weight range in beef steers is mainly due to the different breeds of animals. Too much meat for your family? Get together with another family and purchase 1/2 a beef animal!

## Frequently Asked Questions

### What if I can't use a whole animal?

A group of friends or co-workers can pool their resources to buy an entire animal and have plenty of meat in the freezer all year round.

### How do I get it processed?

The Livestock Sale will transport animals to the processor of your choice. At that point, you can select how you would like the product cut and packaged.

### How do I purchase an animal?

Contact the Livestock Sale for details and instructions on how to purchase at a live auction.

### What can I expect to spend in processing?

Processing is generally broken down into two parts, butcher; and cut, wrap, and freeze. Butchering costs range from \$25-35 per animal, depending on the species. Costs to cut, wrap, and freeze range from 37-47 cents per pound.

## Who Sells Animals at the Fair?

The 4-H and FFA livestock projects allow youth to have hands-on experience and acquire an understanding of market animal production by preparing for, purchasing, caring for, and keeping records on the animal. They gain a better understanding of the business aspects and economics of purchasing animals, feeds, facilities, and equipment. These young people learn entrepreneurial skills and become advocates of animal agriculture.

## Why should I purchase at a local fair

### 4-H/FFA Livestock Sale?

- Members select high quality animals for their project and maintain that quality until it reaches the finished product.
- Members are required to complete quality assurance training bi-annually, ensuring their knowledge and performance of safe production practices.
- As a buyer, you will have control of how your meat is processed, cut, and wrapped.
- By purchasing, you will show pride and support to the local community and its youth.
